On Thursday January 28th, the Mission in Ecuador began the day of Consecration of the homes in the neighborhood of “Jardines de Santa Inés”. The ceremonies began at 5:00 p.m. and concluded at 11:30 p.m.

Fr. Orlando Corrales was in charge of the preparation of the 5 families that began the cycle of Consecrations and Enthronements in the homes.

The atmosphere in each home that consecrated was

of great hope, faith, joy and gratitude recognizing the great blessing they were receiving in trying to walk hand in hand with the Blessed Virgin to encounter Her beloved Son Jesus Christ.

Each family placed before the Sacred Hearts of Jesus and Mary all of their joys, sorrows and projects as well as their commitment to pray the Sorrowful Mysteries of the Rosary with the Mission's intentions every day.

On Thursday February 11th, once the preparation had taken place, Fr. José Fabián Camayo celebrated the Holy Mass of Consecration and Enthronement of the Mall and Office Towers of “Mansión Blanca” to the Sacred Hearts of Jesus and Mary.

He reminded the attendees of the great life commitment that is acquired when receiving Our Blessed Lady of Guadalupe and Her Son Jesus as owners of each one of the aspects of the lives of the consecrated.

The owners of the different stores within the mall as well as representatives of the companies that have their offices there, participated in the Holy Mass with much devotion and were present when their premises were blessed.

On February 14th, the Mission together with committed laity from the Movement John XXIII, organized a small celebration for the grandparents of the Parish “La Merced”. They are elderly people who live in conditions of risk, many of them alone, in complete abandonment or in very precarious conditions.

The Mission visits them frequently, praying with them for their needs and keeping them company.

The celebration began with the Eucharist presided by Msgr. Miguel Ángel Aguilar who gave a message of comfort and encouragement to them.

Then the grandparents were invited to a small lunch and were given groceries that members of the Mission had donated.
