

TOY DRIVE AT NOTRE DAME D'HAITI

The Mission was actively involved in the Annual Toy Drive at Notre Dame D'Haiti in the City of Miami, where more than 700 kids get together every year at the Church with their families for a Christmas party on December 22nd. The Mission invited the youth group and other prayer groups to participate in collecting toys from different sponsors. By the grace of God, the Mission in South Florida collected more than 100 toys and together with other organizations, more than 700 toys for kids in need were donated to the Church of Notre Dame D'Haiti, enough for all children who were at the Parish, with the extras donated by Notre Dame to other Churches in the community. Members of the Mission helped to hand out the toys. God bless all the generous hearts that made possible so many kids smiling!!
